This resource is only available to members of CFCRA.

How it Works

STEP 1: ASK YOUR QUESTION

Simply send your question to help@cfra.ca

STEP 2: EXPERT IS NOTIFIED

Based on the nature of the question, an expert that is most suitable to answer your question will respond. Or you may receive a collaborative response from more than one of our experts. Experts will typically response within 24-72 hours

STEP 3: THE ANSWER

The answer or advice will be provided by email and all communication is confidential. You may ask follow up questions at anytime.

We do not offer advice on pricing or legal matters.
